

# Philip Lorentzson

Senior Digital Composer | Canadian & EU Citizen

<https://www.imdb.com/name/nm5077134/>

<https://vimeo.com/455578041>

*My aspiration in life is to make memorable things with great people.*  
10+ years of experience in the VFX-industry. A social, detail-oriented team player with a strong work ethic who works equally well independently. Passion for multi- & extreme-sports outside of work, and with that, good stress/pressure-handling skills.

## EXPERIENCE (VFX)
